Procedure for providing Grants-in-aid to Voluntary Organisations

(1) **Application:**

All the Voluntary Organisations participating in leprosy SET Scheme are required to apply in the prescribed proforma, to respective State Governments. All the columns should be duly filled and all the relevant enclousres attached to the appication to avoid delay in forwarding of the application by the State Governments. The Institution must have submitted their Quarterly/Annual Working Report to the State/Central Leprosy Programme Officer. These institutions may send an advance copy direct to the Ministry of Health and Family Welfare for processing of their request.

(2) **For on-going Centres:**

(i) First instalment of grant i.e. 25% of the expected annual expenditure to be released in April. On recommendations made by the Directorate General of Health Services, New Delhi.

(ii) Second instalment of grant i.e. 50% of the expected annual expenditure to be released in July on the same basis.

(iii) Third and final instalment i.e. the balance grant of 25% to be released in the month of January after receipt of State Government's recommendations and audited statement of accounts for the previous year after adjusting any sums that may have been over paid or under paid in the preceding financial year.

The above procedure will be applicable only in case of those Voluntary Organisations who have furnished satisfactory utilisation documents in respect of the grants released to them till the year before last.

(3) **For new centres inducted for the first time:**

For units applying for release of grants for the first time, the procedure would apply only after:

(i) allotment of suitable area for operation by the State Leprosy Officer to the particular Voluntary Organisation for the proposed SET centre — rural/urban/difficult terrain.

(ii) joining of duty by a trained doctor and atleast one trained paramedical worker and

(iii) after the unit has functioned for at least 3 months in field for case detection and has at least 60 cases under treatment per paramedical worker.

(iv) A specific recommendation alongwith forwarding their complete application will all enclosures and also a resolution of the Governing Body of the Organisation authorising the person acting as organiser to handle funds and make transactions and other correspondence on behalf of the organisation.

(v) Advance grants under the scheme will be admissible to a new unit only after 3 months of allocation of the area for operation provided they fulfil other conditions of work, staff, etc. and their case has been recommended by the State Government and accepted by the Central Government.

4. **Release of Grant on reimbursement basis:**

In case due to some reason like want of grants/utilisation documents, non-receipt of the State Government recommendations particularly of a new case, non-fulfilment of any of the condition, on-receipt of regular working reports, the grants-in-aid for a particular year is not released within that financial year, it will be

subsequently released as reimbursement. For becoming eligible for release of grant as reimbursements the organisation will require to furnish to the Government of India the following documents:

(i) Audited statement of accounts

(ii) Utilisation certificate in the prescribed proforma

(iii) and register of non-perishable assets, if any, acquired out of SET grants.
